It's the 21st century. The world has become very competitive and even at school, students have to become competitive for survival.

It has become a common sight for students

NO, I'M GOING TO MY LIBRARY CLUB ROOM.

I SEE.

to remain at school, even after their evening classes are over.

THE NUMBER HAS INCREASED SIGNIFICANTLY BECAUSE OF SCHOOL HAUNTED GHOST STORIES.

In such situations, it's very bound to be one or two ghost stories.

And such horror stories were made. Quite a while back between students and often gave students a break they only deserved.

Anyway, stories
